

ELECTIONS 2022 AND 2024

The election of 2022 is over and the election of 2024 is the next national election and attention is being focused on it. I was pleased with some winners and not happy with others. However, the biggest winner was Satan.

When pastors of major churches support homosexuals, gay marriages as they are known but don't exist (no two men or two women can become "one flesh" as God created marriage) and abortion, they are being led by Satan. Satan is well known for entering and deceiving God's people. He did David (1 Chr. 21:1) and David sincerely repented when he realized his mistake (1 Chr. 21:8); When Christ was on the mountain, Satan was there (Mark 1:3); Satan sent messenger to buffet Paul (2 Cor. 2:11); When the people heard the word of God, Satan took the Word from them (Mark 4:15). Many pastors would be wise to follow David's example.

One well known late minister said, “we used to have churches of knotty pine and preachers of granite, now we have churches of granite and knotty pine preachers.” Old time preachers preached the gospel and got sinners saved, now we have prosperity preachers getting rich preaching “political correctness” and never mention repentance for sin, and in many cases embracing sin as acceptable to God.

The results of the 2022 election will determine if there is a fair and free election in 2024. The 2020 and 2022 elections were held unconstitutionally in many states and cities. The federal law clearly establishes that the General Election is to be held on the first Tuesday after the first Monday in November [2 USC, sec. 7]—not days or weeks before or days or weeks after the specific day in November. Blanket mailing of ballots, mail-in voting and unsecure “drop boxes,” were all illegal and gave reason to doubt the outcome of the election, and the FBI, big tech, and social media platforms with their thumbs of the scales did NOT contribute to the integrity of the election.

However, the issues and problems facing America and the world are far more serious than just an election. Will the results of one or both of these elections bring a new lease on life as we know it or will the results bring an end to the freedoms we Americans have known and appreciated for more than two hundred years, or the personal intervention of Jesus Christ to prevent man from completely destroying the human race from the planet? I do not know the answer to these questions; however, I do know a lot about what shall happen in the future but not when the events shall occur. God is in control and will do whatever He does on His time line and not on ours.

On a personal note, I am not a slave to either the Republican or Democrat parties. However, my family were Democrats for as far back as I know my family's history. The Democrat party of F.D.R., Harry S Truman, and J.F.K. does not exist today. While many, if not all, of the Republicans seeking public office are not saints, they are in general not the party of Satan. Therefore, I did not leave the Democrat party—the Democrat party left me when its leaders espoused the most wicked, evil,

and ungodly public policy, such as abortion, homosexuality, and the brainwashing of the children in public schools.

For several years the Democrats have used our public schools as churches to teach and brainwash the children to espouse the godless religion of liberalism with the government paid teachers to serve as their high priest. They have kicked God out of the schools and the public square. Hollywood actors and actresses have become our nation's babysitters via television and have done real harm to, at least, two generations of children.

Two main groups of people are doing great evil to our country: One is the legal community of lawyers and judges which have been responsible for the Supreme Court's opinions legalizing gay "marriage," abortion, and prohibiting prayer and the bible in government controlled schools; and the second group that have done great harm to our country are the false prophets and hypocrites preaching and teaching false doctrine and welcoming sinners into their churches as leaders and

teachers. Both groups are headed right into hell, according to Jesus Christ (Luke 11:52, Matt. 23:13):

“Woe unto you ye lawyers for ye have taken away the key of knowledge: ye entered not in yourselves, and them that were entering, ye hindered.” Luke 11:52

“But woe to you, scribes, Pharisees, hypocrites! For you shut up the kingdom of heaven against men, for ye neither go in yourselves, nor do you allow those who are entering to enter.”

Matt. 23:13

When Christ gave Peter the keys to the kingdom, he said:

“I will give unto you the keys to the kingdom of heaven: and whatsoever thou shall bind on earth shall be bound in heaven: and whatsoever thou shall loose on earth shall be loosed in heaven.”

Matt. 16:19

We see evil and sin everywhere and the vast majority of the people believe that government has the answer to the problems. Some people think the democrats have the answer, and others believe the

Republicans have the salutation. The truth is, we Christians have the salutation to the country's problems, but few have their hands on the plow. And Satan has deceived so many believers to say nothing of his deceiving the unbelievers. False preaching, false teaching and false prophets are leading people to hell by the millions because Christ is NOT being lifted up. He said,

“And I, if I be lifted up from the earth, I will draw all men to me.” (John 12:32)

Christ was referring to his forthcoming death on the cross.

Christ also said:

“Destroy this temple, and in three days I will rise it up.” (John 2:19)

“The temple” he was referring to was NOT the temple building at Jerusalem, but his own body, which he did resurrect.

Christ told Peter,

“Thou art Peter, and upon this rock, I will build my church and the gates of hell shall not prevail against it.” (Matt. 16:18)

I have written the above scriptures to clear up a vast misunderstanding of modern Christian doctrine. That is the doctrine that only Peter got the keys to the kingdom and could open or close heaven. All believers in Christ have them and the vast majority are failing to use them to loose what Christ has to offer those that believe in him. And Christ was NOT implying that Peter was the “rock” upon which he would build his church just as he was NOT implying the temple in Jerusalem was the temple he would rise up in three days. The ‘rock” he was talking about to Peter was HIMSELF. He would build his church upon himself. As a late great preacher used to say, “I wish somebody could understand what I’m saying.” The Christians have the power and authority but false teachings, false prophets hinder us from exercising the wonderful gifts we have.

Abortion is the most sacred tenet of the liberals’ godless faith, and they will support anybody that will support their agenda, as the country saw in the senate races in Georgia, Pennsylvania, etc. And many churches and pastors are espousing the gays’ and abortionists’ agenda

leading America to embrace the sins of Noah's and Lot's days and we can be sure that the wrath of God is soon coming upon America and the West.
